

Certificate of Nomination for the Credit Suisse Award for Best Teaching

The Board of the Student Union of the University of St.Gallen hereby certifies that

Michael Berndonner

was nominated for the Credit Suisse Award for Best Teaching 2014. The Credit Suisse Award for Best Teaching is awarded by the Student Union of the University of St.Gallen and it honors lecturers of the University of St.Gallen that excel in the field of teaching. The prize is awarded annually to the teacher that best lives up to the following criteria: promotion of interest and fun in learning, intellectual challenge, didactic abilities, commitment and engagement.

Every year the students of the University of St.Gallen are asked to hand in recommendations for teachers they consider most deserving of this award. Considering these recommendations together with additional information such as class evaluation results a committee chooses a list of twelve nominees. This committee consists of students from all the different majors of the HSG as well as the head-committee of the Student Union. Eventually the list is then put to the vote of the students to determine the prize winner.

In 2014 Michael Berndonner was one of the chosen nominees. This can be regarded as a high appreciation of his work as a lecturer. This nomination was not due to a specific course or a single evaluation, but to the outstanding commitment and overall performance he has shown in teaching. We therefore want to thank him for the great work and hope he will maintain his excellent performance as a lecturer. We wish him all the best and a lot of success in the future.

Yours sincerely
Student Union of the University of St.Gallen (SHSG)
